Dear Witty Parents,

Launch of “ONLINE PARENT INTERACTION SYSTEM”

Witty International School has always believed in promoting constant interaction and dialogues with the parents through its regular PTM's, Witty Times, Invitations, Updates, Slips, SMS services and Reminders. We will now be adding online parent interaction services to further improvise transparency and interaction between the students, teachers and the parents. This feature will enable all our students and parents to access the daily homework, class work, test schedule, mark sheets, sample question papers, library books and several other features online.

There will be a parent orientation cum training programme on this unique interactive system as per the details mentioned herein. All parents are **compulsorily** expected to attend the same without fail so as to know the benefits of this system.
